

Laminating Systems

SB for KettleTag®PLUS and PaintTag™

SB-2 for ShotTag™ and all laminated tags

Laminating Fabricator Tags

Custom laminates are applied to InfoSight's KettleTag®PLUS, ShotTag™ and PaintTag™ metal tags after printing. InfoSight SB and SB-2 laminating systems are designed to simplify the application of those laminates. The laminators work with InfoSight's 3-inch metal tags and Labelase® printers with continuous feed.

- ◆ Laminates tags one-at-a-time or entire rolls.
- ◆ Kit includes 6 foot power cord, operations manual, 3 extra cutting wires.
- ◆ Provided under special lease, warranty and refund programs.
